

Specification:

Product model:M135FCN-Pro

Product size:200x200x148mm

Product net weight:3.5KG

Packing size:274x274x256mm

The product gross weight:4.7KG

Lens focuses:Non-inductive focus + camera focus

Display technology:0.47"DMD

The light source technology:4 channel led

Standard resolution:1920x1080

The projection ratio:1:1:1

The processor:Amilgic T972

Built-in storage:2GB DDR3

The operating system:FengOS

Trapezoidal correction:Four-point trapezoidal correction

Power consumption:<220W

The input voltage:100-240V~2.5A 50/60Hz

Standby power consumption:<0.5W

Built-in storage:32GB eMMC high-speed flash memory

Package Contents:

1 x Projector,

1 x Remote Control(no battery),

1 x Power Cable,

1 x Chinese Manual
