

Product Specifications

Main

Brand	Xiaomi
Color	White
Model Number	XMTYY02FMGL

General

Type	Smart Projector
Dimension	115 x 150 x 150 mm
Operation Temp.	0-40°Celcius

Projection System

Native Resolution	1920 x 1080
Brightness(ANSI)	500 ANSI
Screen Size	60 to 120 Inches
Projection Lens/Focus	Auto Focus

Input/Output Terminals

Interface	WiFi, Bluetooth
------------------	-----------------

Features

Keystone Correction	Multi-angle auto-keystone correction
----------------------------	--------------------------------------

Audible Noise	28 dB
----------------------	-------

Speaker System	2 x 5W Full-range
-----------------------	-------------------

Power

Power Consumption	65 Watts
--------------------------	----------

Power Supply	19 Volts
---------------------	----------

Standby Power Consumption	0.5 Watts
----------------------------------	-----------

Operating Temperature Humidity	/20%–80%
---------------------------------------	----------

Weight

Weight	1.3 KILOGRAM
